LEARN HOW TO LIVE TOGETHER IN WINTER WONDERLAND!

Say hello to the Ozie Boos: Ned, Ted, Ed, Fred and Nelly are five young penguins who are the best of friends!

In the first collection, **“Learn to Live Together”*** (52x2' + 78x7'), the Ozie Boos take the audience on a wondrous journey through the animal kingdom, where these brave little friends make incredible discoveries while learning how to live together and thrive in their new environment. Following the huge hit, “Learn to Live Together”, the Ozie Boos return with more amazing adventures in the collection **“Save The Planet”*** (78x5'), an adorable, entertaining, and optimistic introduction to ecology for preschoolers. The episodes feature live action segments. And last but not least, in **“Winter Adventures”*** (2x26' or 1x52') the Ozie Boos take us with them to the most magical time of the year: Christmas and New Year's Eve! The Ozie Boos know how to make this festive time even more joyous!

► Aired on 160 territories

► Winner of French Export Prize - Best Sold Animation Series

► A fun way to discover ecology
