

ADVENTURES, LAUGHTER, POETRY AND EMOTION IN A POIGNANT DEPICTION OF WORLD WAR II

«The Long Long Holiday» recounts the daily life of a brother and sister who are left by their parents at their grandparents' house near the Normandy coast for a few weeks at the beginning of World War II. As the war rumbles on, those weeks become five years.

This series sheds new light on a unique historic event— an epic war, patriotic actions, etc.— all viewed through the eyes of two young city children who know nothing of life in the country.

Despite the war, they will experience wonderful adventures while exploring nature, making new friends, and even hanging out with farm animals.
