

Mirette Investigates

2D - 52x11'

DISCOVER THE FIRST TRAVELLING DETECTIVE COMEDY!

Mirette is a ten-year-old with a passion for investigation: disappearances, thefts, clues, suspects, culprits, high-speed chases, arrests...she loves it all! In the course of her various investigations, she's assisted by Jean-Pat, her «catssistant», a lazy but extremely efficient ginger tomcat who just wants to eat.

The show is packed with humor, Mirette and Jean-pat argue endlessly and spar with clever one-liners. The series' comedy stems from their relationship as much as from the situations they wind up in.

And, last but not least, there are the greatest cities in the world, from London to Paris to New York and Cairo. Explore the world with our dynamic duo!
