Meet Wanji, Nunpa, Yamni and Topa, four wolf-cubs who live with their parents, Winyan and Wicasa, within a wolf pack on the plains of North America.

Our four heroes learn to grow with their own kind, as well as with other species. Their friend Tatonka, a lone bison, invites them into a world unknown to wolves. They will have to learn how to live outside the family, in a sometimes hostile and unpredictable environment.
